

What is this Reiki Energy?

- Reiki is the Universal Life Force (LFE) energy of Love.
- Reiki is similar to a battery charger, boosting the electrical system of the human body.
- Reiki is the ability and method to use energy for the greater good.
- Reiki is *not* affiliated with any type of religious belief.
- Reiki is a complimentary technique that will enhance any medical treatment. It does *not* take the place of medicine, but rather a part of the whole.
- Reiki assists in the unlocking of the door to vitality of life when we have lost some of that spark ourselves.
- Reiki can be a healing process for our animals, homes, work, plants, food, and vitamins as well as for us. There is no end in the use of Reiki because it is already the flow of life itself.
- Reiki is available at any time and needs no tools to utilize it.
- Reiki can aid in the release of physical and emotional blockages that we have accumulated throughout our life.
- Reiki is an energy that heals the healer first and then heals others.
